Offered for sale is this fantastic 4 berth 2014 Compass Corona 574 with single beds and end washroom. This caravan would be great for a couple or family with so many options to sleep 4 people with 2 single beds at the rear, whilst having the 2x couches at the front that can be made into a double. Its not often that you find a caravan this tidy with so many great options, most notably the separate toilet / shower and high end finish throughout. There's also plenty of room in the lounge/kitchen area to entertain in the evenings.

An amazing bathroom includes a Thetford swivel toilet and a very sizeable shower that really completes your home away from home. It also has a good sized wardrobe, storage under the front and rear beds. The kitchen includes a microwave, Dometic fridge and Thetford oven with 3 burner hob and hotplate. The water heating and heating is a blown air unit which is very efficient and warm.

Bed sizes are as follows:

Rear singles L: 190cm x 70cm
